# Pro-Amino

## At a Glance

Pro-Amino is a **privately owned manufacturing company** with a differentiated portfolio of branded **high protein quality products** in the areas of Healthy Eating, Functional Food, Weight Loss, Sports Nutrition and Geriatric Nutrition.

An extensive range of formulations completes our portfolio. Research and Development is conducted directly on site.

Establishing long term Partnerships has been a cornerstone of Pro-Amino's growth strategy for more than 30 years!

## MISSION

Continue to **develop and improve the formulation of protein products** by manufacturing a variety of products that meet the needs of a Global Market including Dietetic, Quality Snacks and Sports Nutrition.

## VISION

Being recognized as a **World Leader** in the manufacturing of High Protein Food Supplements.

## VALUE

The people of Pro-Amino are an extremely forward thinking group and continue to **challenge themselves while maintaining a solid and cohesive team**. Our inherent values allow us to create an environment that is highly motivating for our employees, which in turn generates a commitment to deliver impressive results.

WE BELIEVE IN QUALITY

# WE HAVE YOUR PRIVATE OR CONTRACT LABEL SOLUTION!

The benefits of using our services; our clients have access to Pro-Aminos portfolio of comprehensive technology using state of the art equipment for their High Protein Products along with our competence that we have been proudly building for nearly 3 decades.

With our Knowledge, Modern Technology and Creativity combined with clear, well defined communication procedures between our team of experts and our customers we have identified the key factors for **achieving optimum solutions that will exceed all expectations.**

More than **30 years of Manufacturing:**

- › **Protein** Bars, Powder Mixes and Drinks
- › **Weight Loss** Products
- › **Functional** Food
- › **Sports** Nutrition
- › **Geriatric** Nutrition

**Our primary goal** is to **contribute to the success of all our customers**;  
Working closely with them from concept to finished products.
